

User Conference 2009 Travel Arrangements

Please use this list of key vendors and services to help make your trip smooth and enjoyable. Please feel free to e-mail Adriana Aiken at aaiken@healthcare-automation.com if you have any questions.

Hyatt Regency Newport Hotel & Spa

In addition to the room you may reserve when registering for the User Conference (with a preferred rate of \$269/night), the Hyatt Regency Newport offers many other amenities, including a pool, two restaurants, a lounge and the Stillwater Spa. If you are interested in booking any spa treatments (including massage, facials, scrubs and wraps), the Hyatt recommends you book in advance to ensure the time and service you want. The spa also includes a fitness center and saltwater pool. <http://www.newport.hyatt.com/property/index.jhtml>

Airport

The closest major airport to Newport is the TF Green International Airport in Warwick (PVD). This airport is serviced by most major airlines and is a major Southwest destination for New England. A list of all airlines servicing TF Green can be found here: http://www.pvdairport.com/airlines/airlines_info.htm

Transportation to Newport from TF Green Airport

If you plan to stick mostly to Newport (and the Hyatt provides frequent shuttles to downtown Newport), the best bet is to take a shuttle from the airport. Cozy Cab offers hourly shuttles from the airport to Newport for \$25/person. Reservations are required, so be sure to make them as soon as you know your flight information: <http://www.cozytrans.com> or 800-846-1502.

Driving to Newport

All major car rental agencies have offices at the airport. Please note, however, that there is a \$20/day parking fee at the Hyatt. If you are driving to the User Conference, the address of the Hyatt is 1 Goat Island, Newport, RI 02840.

Newport

The town of Newport offers great sightseeing, shopping, parks and tours of famous mansions. If you have any extra time in Newport, please visit the following links for more information about this beautiful, historical seaside resort town:
